Dr. Franklin Bache announced the death of the Hon. Alexander Everett, a member of this Society, on the 29th of June last.

A letter was read from Richard Owen, Esq. to the Hon. Edward Everett, President of the University of Cambridge, Mass., containing some remarks upon Dr. Meigs' paper on the generation of *Didelphis Virginiana*, and expressed his desire to obtain a specimen of a gravid female of this species for the Hunterian Museum.

Dr. Meigs made some remarks upon this letter, defending his belief that the young opossum is developed from a placenta.

Dr. Dunglison made some remarks upon the same subject, agreeing with Prof. Owen.

Prof. Frazer read an extract from a letter of Prof. Mitchell, of Cincinnati, stating that he believed he had obtained two positions of Lassell's satellite of Neptune, nearly 180° apart, and with an interval of about six days.

Pending nominations, from No. 197 to 202, were read.

Mr. Ord called for the consideration of the by-laws prepared by him at the last meeting, which being ordered, the substitute offered by him in place of chapter I., section X. of the Laws of the Society, was unanimously adopted, (twenty-three members voting in the affirmative,) as follows, viz:—

“Such members as reside within ten miles of the Hall of the Society, and such others as desire to vote at the meetings and elections, shall pay an admission fee of ten dollars; and annually thereafter, on the first Friday of January, a contribution of ten dollars; but should the annual contribution be not paid on or before the third Friday in July, then shall ten per centum be added to the same for each and every year that it shall remain unpaid.”
